Camp Harris is a Non-Profit Camp & Retreat Center owned by the churches of the Bienville, Webster-Claiborne, & Concord-Union Associations. We strive to maintain God's property so that groups and individuals can come to this place and have Encounters with the Most High. We strive to keep cost as low as possible for each camper, but the only way we can succeed is with financial support from folks like you, who God chooses to use in amazing ways. With your help, we will make Camp Harris the place God wants it to be and place where you can come generation after generation to see and know God. Be still and Know God @ Camp Harris.

Aaron Coffee, Youth Pastor @ FBC Homer leads the youth of both associations on the fourth Sunday of each month. Locations vary so follow them on Facebook to stay updated!

BCM is a campus ministry that helps students experience Christ's love in deep community. We do this through student-led worship, small group, mission trips, sports, late-night hangouts, study sessions, and much more. BCM connects students to God, the church, and each other's purpose in life. Our BCM center is open to Tech students from 9am-11pm. We are supported by 1500 Baptist churches that love all Tech students, no matter what your background may be!

Missions & Ministry Center

Webster-Claiborne & Bienville Baptist Associations' Missions & Ministry Center provides a central location through which Southern Baptist work in our tri-parish area of North Louisiana can be coordinated. The Center not only provides an office for the Director of Missions, but also is a mission site and missions equipping center. Our goal is to equip churches for missions and ministry by offering resources to organize, train, and execute mission projects. Above all, our goal is to see people brought to salvation through Jesus Christ. There are 36 churches in the Webster & Claiborne Parishes which form the Webster-Claiborne Baptist Association. There are 24 churches and missions in Bienville Parish which form the Bienville Baptist Association. While these two associations have their own officers and ministries, they also share many cooperative ministries.

Most churches give 3-5% of their undesignated offerings to support our associational ministries. Together we can do more than any one church can do alone.

Jeff Hoffman and his wife Angela became the new Associational Mission Strategist for our Associations August 1, 2024.

Cooperative Association Mission Offering

We encourage each church to receive a special mission offering for our associational ministries. The offering is used to supplement our mission projects. In recent years inflation has out paced our ability to expand our missions. Your gift makes it possible for us to maintain and expand The Great Commission. Matthew 28:19 says, "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

You may send your offering to your association using the Mission Center address. Please place on the memo line C.A.M.O. We appreciate your support.
