Letter from our Associational Missions Strategist, Jeff Hoffman

I wanted to thank those who could attend our annual meeting for your sacrifice of time. Your participation in our fellowship meal, business meeting, and worship helped to make it successful. Our next connecting point will be our Pastor & Wives Appreciation supper on December 12. This time will be a smaller meeting just for our Pastor's and their wives, to show appreciation for them. Please let us know if you are coming by December 1, so we can make adequate preparations. I can't stress this enough, so please let us know.

In the business and reporting time of our annual meeting we reviewed our financial report for the year and referenced our five year financial decline in giving. Our leadership team again stressed the importance of possible changes in the future so as to keep supporting our mission goals. Please be much in prayer as we consider making important decisions in the near future. Change is an inevitable part of life. In fact, without change, we die. Three characteristics of a living organism are movement, reproduction, and sensitivity. This truth applies to our spiritual lives as well. We must be willing to change to accomplish His purposes. Someone defined God's will as the intersection of your passion and man's need. Given this definition, what is our passion, and what are the needs we are attempting to meet? The answer to these questions will help us in our prayer time as we seek His will. As we know, it should not be formulating a plan and then asking God to bless it, but rather humbling ourselves in prayer asking Him to show us His plan.

It is my prayer that we can prayerfully consider God's purpose in our association of churches and willingly be obedient to His Word. Matthew 6:33 says, "Seek ye first the Kingdom of God, and His righteousness, and all these things shall be added unto you."

Serving with you,

Jeff Hoffman
