WCB BAPTIST ASSOCIATION

BIENVILLE PARISH JAIL BIBLE DISTRIBUTION

LETTER FROM OUR ASSOCIATIONAL MISSIONS STRATEGIST, JEFF HOFFMAN

This has been a full and interesting year for our association. The greatest part to me is to see our association working together for one great cause, the Kingdom. Our merger to become WCB Baptist Association is proof of our cooperative spirit. We realize the significance and importance of our work together. Truly, we are stronger together, than any one church set apart. The merger will enable us to provide accountability more readily for each other. We need moral, financial, relational, doctrinal, and personal accountability. This will serve as a strength for our churches as we seek to serve Him through our missions and ministry efforts. Our coming together is purposeful in the area of encouragement. What a blessing to encourage the work of the church. Our fellowship times together have been a rich blessing and there has been a very sweet spirit in our meetings.

We have completed the sale of the property and office building. This sale will provide funding for missions, ministry, and the continued footprint of our associational work for many years to come. Even with some decline in giving, which has been trending downward, we will now be on a firm footing to embrace the financial needs of missions today and in the days ahead.

I want to thank you for your spirit of cooperation, patience, and prayers as your Ministry Leadership Team has been working to represent and serve our churches.

I will be continuing to serve you as long as I can, and my family is so grateful for your prayers for Angela through this difficult time.
